

Veterinary Care Charitable Fund

Already Providing Charitable Care? Let AVMF Help You!

The men and women of the veterinary profession are known for their compassion. Accordingly, one of the most difficult conversations a veterinarian may experience is when a client shares his/her inability to afford the treatment recommended for their beloved pet.

Through the Veterinary Care Charitable Fund, AVMF supports veterinarians by serving as their umbrella 501(c)(3) organization, accepting donations in support of a veterinary practice. Donated funds can be used to assist clients facing personal hardships, and to provide care to neglected, abused and abandoned animals. Of each donation made to the AVMF Veterinary Care Charitable Fund, 92% is set aside for practices to provide charitable care to animals in their community.

How the Program Works

The Veterinarian's Role:

1. Enroll your practice in the AVMF Veterinary Care Charitable Fund
2. Inform your clients, family and friends
3. Promote giving to the fund
4. Provide medical care for animals
5. Submit online reimbursement form

The AVMF will provide:

1. Free enrollment for AVMA members
2. A listing on the AVMF website as a participating veterinary practice
3. Promotional materials to display in your hospital
4. Donation forms and giving envelopes
5. A digital donation button for your website and Facebook that can be linked directly to your hospital's donation page
6. Sample press release to distribute to local media
7. Sample email to share with clients, family and friends
8. Acknowledgement / tax letters for donors
9. Secure online tracking of donations and grants
10. A method of accepting donations online or via mail
11. Reimbursement upon submission of a simple online form

Enroll your practice in the AVMF Veterinary Care Charitable Fund
and let the AVMF become *your* foundation!
